

FRONT-END WEB-DEVELOPER

COMPETITIVE CODER

KHUSHI RENU

"Hello! I'm Khushi Renu, a dynamic and motivated B.Tech student specializing in Information Technology. With an unwavering passion for technology and a keen desire to excel, I have honed my skills in programming, web development, and database management. My journey through academia and hands-on projects has instilled in me a problem-solving mindset and a deep appreciation for the intricacies of software development.
